June 2009

Prepared human skeletons for forensic analysis and measurement.

Graphic Designer

Sept. 2015 - Jan. 2017

Paper Tiger

Santa Fe, New Mexico

Hired as a graphic designer. Designed business cards, **books, logos,** brochures, mailings, T-shirts, forms, invoices, et cetera. Handled over **700 separate jobs**, many from the design phase through printing and finishing.

Left as graphic designer, printer operator, book finisher, sign maker, and receptionist. Throughout my time I enjoyed the very fast pace as well as the important attention to every detail. I took pride in building **good relationships with the customers** and providing the **best service possible**.

University of New Mexico

School of Architecture and Planning

Aug. 2011 - Aug. 2015

Albuquerque, New Mexico

Bachelors of Arts in Architecture

Studied **architectural concepts**, structures, systems as well as **furniture design** and building.

UNM SAAP Graduate School

Architecture and Justice Program

Aug. 2015

Berlin, Germany

This course covered international relations with a focus on **transitional justice** as well as how architecture can portray the outcomes of social and political processes, primarily through **museums and memorials**.

Scholarships

Congress/Bundestag

Youth Exchange Scholarship

Sept. 2010 - Jun. 2011

Berlin, Germany

Attended the Rosa-Luxemburg-Oberschule in Pankow. I lived with a host family and learned German.

Volunteer Work

Meow Wolf

Sept. 2015

Santa Fe, New Mexico

Worked on a team using **Rhino3D** and a CNC machine to model and fabricate the window boxes windows, and tower of the Victorian-style house located in the front of the Santa Fe exhibit, House of Eternal Return.

UNM AIAS Chapter Freedom by Design

Aug. 2013 - Jun. 2015

President Aug. 2014 - Jun. 2015

FBD operates within the structure of the

American Institute of Architecture Students.

Its focus is to identify **under-served groups** and help them **design and build structures or objects** to improve their overall quality of life. For the 2013/14 year, we designed wheelchair accessible **raised flowerbeds** and for the 2014/15 year we designed a set of **collapsible steps** to be used to train service dogs as well serve as a stage prop in plays performed by children with developmental disabilities.

Architecture and Film Program

Sept. 2015 - May 2016

Co-Founder
